

PROGRAM LISTING

HOPE HOUSE TREATMENT CENTER, ANNE ARUNDEL COUNTY, DETOXIFICATION SERVICES

AGENCY: HOPE HOUSE TREATMENT CENTER

DETOXIFICATION: Provides a 5-10 day substance abuse detoxification program. Also offers medical monitoring, group and individual counseling, substance abuse education, and chemical assistance detoxification. Uses suboxone/buprenorphine and vivitrol injections to treat opioid addiction. Participants who complete the detoxification program are eligible to attend support groups and activities organized by Hope House's Alumni Association.
