ROBERT MCDONALD HOUSE CHARITIES MARYLAND

AGENCY: ROBERT MCDONALD HOUSE CHARITIES MARYLAND

PATIENT FAMILY HOUSING: Provides a temporary home for children (and their families) who are battling catastrophic or chronic illness. Serves as a residence where children and their family members can obtain lodging and find support from other families in similar situations as well as staff and volunteers.

BELIEVE IN TOMORROW CHILDREN’S FOUNDATION, HOSPITAL HOUSING

AGENCY: BELIEVE IN TOMORROW CHILDREN’S FOUNDATION

HOSPITAL HOUSING: Provides a 'home away from home' to families from all over the world who are traveling to Johns Hopkins Hospital and/or the Kennedy Krieger Institute for treatment. A van is available for transportation for residents. Parents of children who have had major surgery, such as organ transplants, are allowed to stay upon their child’s...

BELIEVE IN TOMORROW CHILDREN’S FOUNDATION, RESPIRE HOUSING

AGENCY: BELIEVE IN TOMORROW CHILDREN’S FOUNDATION

RESPIRE HOUSING: Provides critically ill children and their families with getaways for relaxation and opportunities to spend time together while enjoying a wide range of activities. Patient priority list gives preference to children and families in most urgent need. Patients being treated for catastrophic illness receive highest priority.
